

The Federal Communications Commission

Dear The Federal Communications Commission,

I do not want to pay more for my telephone service!

Under the flat fee proposal you are considering, people who make few long distance calls would pay the same as people or businesses that make many calls. This is unfair!

I use my wireless phone for safety, security and convenience. I urge you to reject the proposal to move the USF collection system to a flat-fee.

Sincerely,

Lina Mollica
